The 73rd World Foundry Congress
‘Creative Foundry’
23–27 September 2018
Krakow, Congress Center, POLAND

Call for Papers
The World Foundry Congress, the most important event of the foundry sector, constitutes an excellent occasion for exchanging knowledge and experiences, the newest achievements and innovations. The 73rd World Foundry Congress will be held with the motto ‘Creative Foundry’ including broadly understood thematic blocks:

- Materials
- Technologies
- Digitalisation
- Management
- Ecology

Participation
For the authors of congressional papers and young researchers, special conditions for participation have been prepared:
- special registration fee,
- publication of the abstracts in the congress materials,
- possibility of free post-congress publication of full articles in journals accepted in the Web of Science and present in the Polish Ministerial List.

Submissions and publication
Contributions must be submitted as two-page technical and scientific abstracts (detailed two-page short paper), must be written in English and should be formatted according to the instructions in the template provided at the congress website. Types of presentations accepted for 73 WFC: oral presentations and posters.
